Under the federal securities laws, any offer or sale of a security must either be registered with the SEC or meet an exemption.Even if a company takes advantage of an exemption from registration, a company should take care to provide sufficient information to investors to avoid violating the antifraud provisions of the securities laws, This means that any information a company provides to investors must be free from false or misleading statements. Similarly, a company should not exclude any information if the commission makes what is provided to investors false or misleading.

Effectiveness Date: Oct. 8, 2026
